CHURCH

# Beyond the Walls

**Centrepoint Church** is more than a Sunday service gathering. We believe that our church has a mandate to make a difference in our community and beyond. Our heart is to bring the good news of Jesus to a world that is desperately in need of hope. Every week, our church is involved in a number of programs that we facilitate for the community. But our influence doesn't stop there. We also partner with not-for-profit organisations both locally and internationally to transform lives beyond the walls.

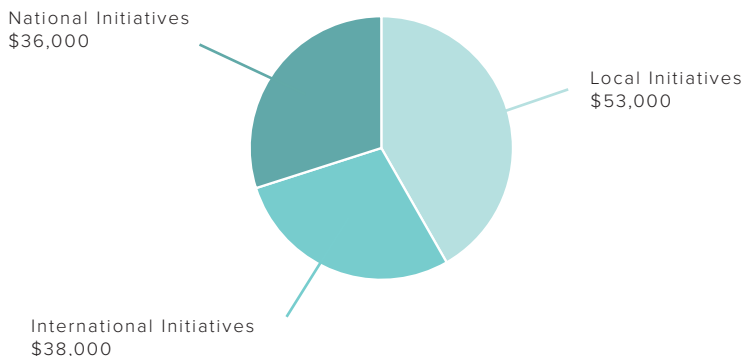

The initiatives listed in this booklet are just some of the ways we are making a difference. Our prayer is that you would join us in reaching those who are in need.

There are three ways that you can partner with the *Beyond The Walls* projects:

1. Pray.
2. Volunteer.
3. Give financially.
