## what is beyond the walls?

Centrepont Church is more than a Sunday service gathering. We believe that our church is mandated to make a difference in the community and beyond. Our heart is to bring the good news of Jesus to a world that is desperately in need of hope and life.

Every week, our church is involved in a number of programs that we facilitate for the community. But our influence doesn't stop there! We also partner with not for profit organisations both locally and internationally to transform lives beyond the walls. The initiatives listed in this booklet are just some of the ways we are making a difference. Our prayer is that you would join us, in reaching those who are in need.

### 2019/20 giving

- Empart - food relief for families in the poorest areas of India

Our Maddington campus will be launching street teams to pray for and connect our most vulnerable to support services. Teams will be equipped with training in prophetic ministry and practical support skills.

### UNIVERSITY OUTREACH

Our teams are working alongside Red Frogs WA to provide a peer support network for students transitioning into Murdoch University. We will be sending a team to provide relief, safety and support to the thousands of young people attending Leavers Week in Dunsborough.

### SHINE & STRENGTH

SHINE is a unique personal development program that uses a practical and experiential approach to learning for girls. Similarly the STRENGTH program is about equipping boys with the knowledge and skills to discover who they are and the person they want to become.

### CHAPLAINCY SUPPORT PROGRAM

Chaplains are on the ground meeting a variety of needs within the local community. They are the first responders offering pastoral care and support to those in crisis and vulnerable. Centrepoint will be offering both practical and spiritual support to local Chaplains.
