A PLACE TO CALL HOME

Miracle Offering

From Our Pastors

Dear Church Family,

This year's Miracle Offering is inspired by the story of Isaac in Genesis 26:19-20. Isaac and his family searched desperately for a safe place to call home, where they could build for the future and flourish for generations to come.

Isaac dug a well, but unfortunately, locals claimed the water for themselves, forcing him to move and try again. Despite facing the same challenges with subsequent wells, Isaac remained persistent and full of faith. On the third try, he successfully dug a well and named the place "Rehoboth," declaring that God had given them “room to flourish in the land.”

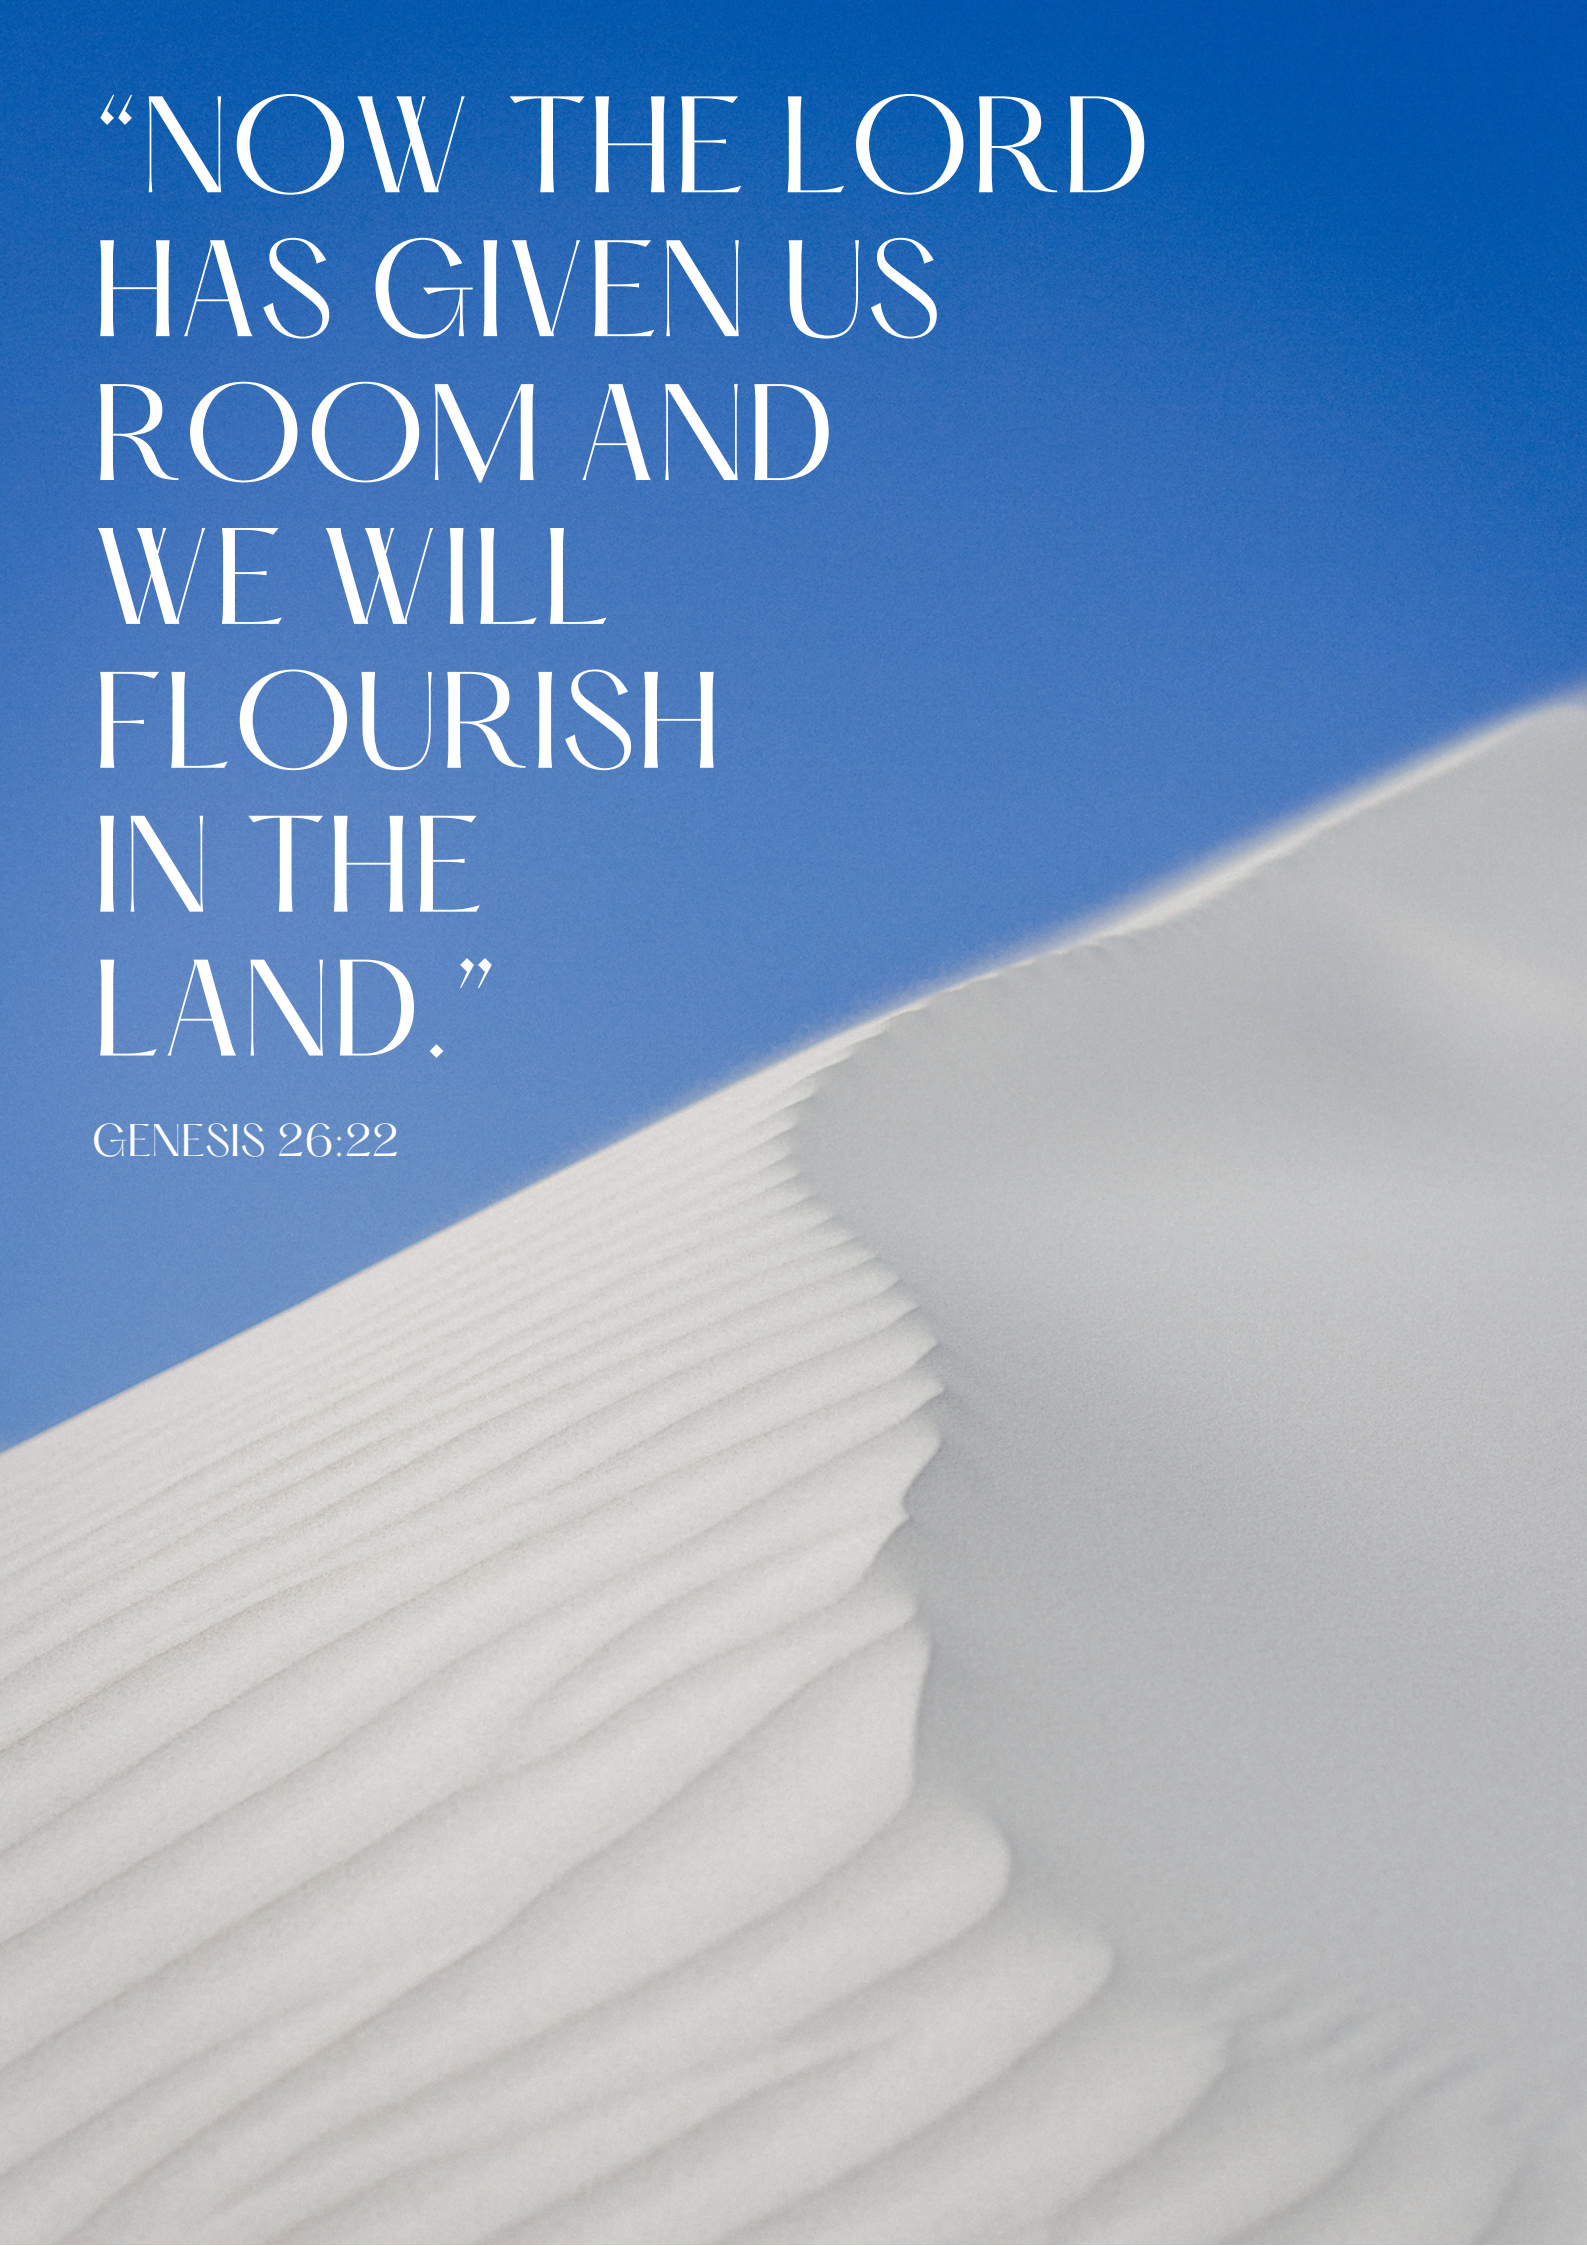
In 2023, we believe that God is declaring “Rehoboth” over our church. He is wanting to supernaturally provide new spaces for our church family to build, heal, and grow.

With this in mind, we have prayerfully chosen projects that align with this theme, so that our giving can provide thousands of people with a spiritual home both now and in generations to come.

We have themed this year's Miracle Offering, "A Place to Call Home,” and ask that you prayerfully consider your part in the vision.

May God abundantly bless you,

Love
Ps Joel & Sharon



“NOW THE LORD
HAS GIVEN US
ROOM AND
WE WILL
FLOURISH
IN THE
LAND.”
GENESIS 26:22

A place to BUILD

A future for our family in Byford
A future for our family in Singleton
A future for our family in Kwinana

This year our top priority is to provide our three newest campuses, in Byford, Kwinana, and Singleton a permanent place to call home.

Our Byford campus has identified a prime 3466sqm block of land on Southwest Hwy that will allow us to build a purpose-built 300-seater auditorium, along with facilities for kids, a cafe, and a community hub accessible to all. We're excited to use a portion of this year's Miracle Offering to pay off the $950,000 loan for the land.

Meanwhile, our Kwinana family is making significant inroads in their local community, and we're already setting aside funds for a future building. With the added resources from this year's Growth Fund, we'll be well-positioned to purchase a permanent home when the timing is right.

In January 2022, Centrepoint Singleton was launched, and we were blessed with a 3000m2 parcel of land in the heart of our community. Our vision is to construct a purpose-built church and community hub with a 300-seater auditorium that will help us bring the Gospel to the Southern Corridor. This year's Miracle Offering will help us reduce the loan on the land we already own, so we can start saving for our dream building in the future.

A place to HEAL

A large portion of our Miracle Offering has always been invested into missional projects that are beyond our local church. This year we are excited about four partnerships that will bring healing to thousands of people both within Australia and internationally.

Noongar Translation of Scriptures

We will be partnering with Bible Society to produce a Noongar Translation to reach Indigenous communities with the Good news of Jesus.

The Esther Project, Cameroon

Our giving will finance Bible Society's Esther Project. This project helps traumatized women access training for personal healing to help them overcome past experiences. We plan to reach 1500 women through this project in 2023.

Children in Families Cambodia

We will be working alongside ACCI in Cambodia to provide support for children with disabilities and chronic illnesses so that they can stay with their families and avoid being sent to an orphanage. We plan to support 70 families and children in 2023.

Missionaries in Persecuted Nations

Our goal is to partner with ACCI to support field workers in the Middle East. This international project operates in anonymity in some of the most hostile parts of the globe. This underground ministry preaches the Gospel and offers humanitarian aid to a war-ravaged nation. We have done our research on this ministry and we can't wait to generously sow into this Kingdom-minded project.

A place to GROW

Maddington Entrance Upgrade Auditorium Seating

For our more established campuses, this year's Miracle Offering will focus on making our house a home.

Our Maddington campus is setting aside funds to renovate its warehouse entrance. The upgrade will improve both the hospitality and security we offer the families that meet there.

Our Bibra Lake and Maddington Campuses will also invest in new seating. Some of the chairs in our auditorium are over 14 years old and well past their use-by date. Although this may sound insignificant, it will improve the hospitality we offer our people, especially pregnant mothers and elderly congregations.

WHAT WE'VE DONE SO FAR

MERCY INDONESIA
2008

2007: Built an orphanage in Indonesia

2008: Built a kindergarten and church in Atambua, Indonesia

ORPHANAGE
2009

2009: Built a second orphanage in Indonesia

2010: Purchased a bus for Yellow Ribbon (Perth) to rehabilitate female prisoners

2011: Dug wells in a refugee camp in Indonesia

2012: Built a third orphanage in Indonesia

WOMAN'S REFUGE
2014

2014: Built a women's refuge in Indonesia to rehabilitate survivors of human trafficking

2014: Trained and resourced church planters in Indonesia

2015: Built a Christian Counselling Centre and Radio Station in Indonesia

2016: Established a childcare centre to enable young mothers to receive an education in Lesotho

2016: Contributed to community projects that break the cycle of poverty in Vietnam

2016: Provided sanitary items for girls in Uganda so they could continue schooling

OPEN DOORS
2017

2017: Financed a Christian radio station in the Middle East

2017: Partnered with Open Doors to serve persecuted Christians in over 60 countries around the world

2017: Partnered with Preemptive Love to offer medical help, food, and support in Aleppo Syria

2019: Rebuilt Hope Centre (Bible College, Community Care, and Church) in Mozambique

2019: Established a South Campus for Pregnancy Problem House (Perth)
